## TOP LAWYERS: CLASS OF 2011

*After being named "Top Up & Comers" for several years, the following attorneys have graduated to South Florida Legal Guide's "Top Lawyers" list. To find out a little more about their backgrounds, we asked several members of our Class of 2011 to tell us what inspired them to become a lawyer and what they enjoy about their practice areas. We congratulate these experienced and successful lawyers!*
