### BAL HARBOUR EMERGENCY MEASURES

#### Isolation of Individuals Traveling to Bal Harbour

**July 31, 2020 (5 PM)**

**WHEREAS**, on March 13, 2020, I, as Village Manager of Bal Harbour Village, promulgated an Emergency Order which, among other requirements, temporarily closed Village facilities and certain businesses located in the Village, and imposed emergency measures effective immediately; and

**WHEREAS**, on March 23, 2020, after previously declaring a public health emergency and state of emergency, Governor Ron DeSantis issued Executive Order Number 20-80, which directed all individuals flying into the State of Florida from an area with substantial community spread, including the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the state or the duration of the person's presence in the state, whichever is shorter; and

**WHEREAS**, on March 24, 2020, Governor Ron DeSantis issued Executive Order Number 20-82, which applies the required isolation or quarantine period retroactively to individuals who have entered the State of Florida after being in an area with substantial community spread (the New York Tri-State Area) within the previous 14 days; and

**WHEREAS**, Bal Harbour Village is a known preferred location for second residences for persons from outside the State of Florida; and

**WHEREAS**, Florida was experiencing an increase in individuals fleeing to Florida from states where "shelter-in-place" orders are being implemented, especially from the New York Tri-State Area; and

**WHEREAS**, Bal Harbour Village was experiencing an increase in such arrivals from the New York Tri-State Area and other areas of substantial community spread, and originally applied this Order to a broader group of states than the Governor's Orders covered; and

**WHEREAS**, on June 9, 2020, the Village amended Emergency Order #7 to reduce the scope of its isolation order to match the Governor's Orders for domestic travelers, while continuing to be stricter by applying the isolation requirements to international travelers; and

**WHEREAS**, the Village seeks to repeal its isolation order set forth in Emergency Order #7, as amended.

**NOW, THEREFORE**, as Village Manager of Bal Harbour Village, Florida, and pursuant to the authority vested in me by Chapter 252.38(3)(a), Florida Statutes, and Bal Harbour Village Code Chapter 2, Article VIII "Emergency Management" (the "Village Code"), as well as that certain Village of Bal Harbour Village Declaration of State of Emergency, dated March 13, 2020, and in addition to the Emergency Measures I have previously ordered and promulgated, I hereby **ORDER** and **PROMULGATE** the following, effective immediately (the "Order"):

1. Village Order #7 (Isolation of Individuals Traveling to Bal Harbour), as amended is hereby repealed.
2. All other Village Orders currently in effect, shall remain in effect. All requirements of Village Emergency Orders, Miami-Dade County Emergency Orders, State of Florida Executive Orders, and federal Emergency Orders shall be strictly adhered to at all times.

**THIS EMERGENCY ORDER SHALL BE EFFECTIVE IMMEDIATELY.**
