

Office of the Mayor

March 17, 2020

ON MARCH 16, 2020 AT 10:00 AM, MAYOR OTIS T. WALLACE DECLARED A LOCAL STATE OF EMERGENCY FOR THE CITY OF FLORIDA CITY. THIS DECLARATION IS DUE TO THE CORONAVIRUS (COVID-19). AFTER MUCH CONSIDERATION AND IN AN ABUNDANCE OF CAUTION PLEASE BE AWARE OF THE FOLLOWING IMPACT ON CITY PROGRAMS AND EVENTS.

- City of Florida City administrative offices and all departments will remain open with usual operating hours
- At Customer Service locations such as Utilities and Building & Zoning only two (2) customers will be allowed in at one time
- As of 11:00 pm Tuesday, March 17, 2020 all food service establishments, bars and clubs shall close their doors to on-premises service. Restaurant kitchens may remain open for takeout and delivery.
- Pharmacies, gas stations and grocery stores will operate as normal so there is no need to hoard supplies
- The city is not scheduling any special events and City supported events until further notice
- All indoor Parks and Recreation activities are suspended until further notice.
- All outdoor activities in City parks will be limited to ten (10) people
- All currently scheduled private rentals of City facilities are canceled through April 30, 2020 and all fees and deposits will be refunded. Future rentals will be addressed at a later date.
- City services like sanitation and water & sewer will not be disrupted
- For your safety, all City facility entry points and access areas are sanitized throughout the day. Hand sanitizer stations are also installed for your use.

Florida and Miami-Dade are under a health emergency declared by both the Governor and Miami-Dade County Mayor. The City of Florida City is following the latest guidance from [the CDC, World Health Organization \(WHO\)](#) and [Florida Department of Health \(DOH\)](#) regarding prevention measures for coronavirus. The City of Florida City is currently monitoring the worldwide pandemic and would like to inform the public of the following:

Individuals in Florida City who believe they may have been exposed to COVID-19 should call the Florida Department of Health at 305-324-2400. If you have a medical provider, call them. If traveling to a medical office or facility, call ahead. For questions about COVID-19 in Florida, please call the Florida Department of Health at 1-866-779-6121. For a medical emergency, call 911.

Price Gouging Hotlines:

Miami-Dade State Attorney Price Gouging Hotline: 305-547-3300

State Attorney General Price Gouging Hotline: 1-866-966-7226
