Do you still like going to the library?

John Chrastka and [John Quick](#) both join me now to discuss libraries and their importance in our society even today with things like e-books and the internet.

EveryLibrary - Building Voter Support for Libraries
everylibrary.org

EveryLibrary.org is the first national PAC for libraries. We are organizing as a 501(c)4 social welfare organization to work directly in support of local library ballot initiatives, levys, millages, taxing measures, referendum.
