# Topical Currents

Tuesday's **Topical Currents** considered the integral part libraries and librarians play in our lives and in our community. But libraries are at risk, and over time have lost enormous funding. The County Commission will vote on the 2014-15 budget on July 15. We learned how we can help. We visited with John Quick – the President of the **Friends of the Miami-Dade Public Library**, and Sue Cvejanovich - Library Operations Supervisor.
